

NEWSLETTER City of Wasco Update

JANUARY 1, 2018

PUBLIC MEETING JANUARY 16TH REGARDING KIDS DIVERSION FACILITY PROJECT Kim Lindsay from Community Counseling Solutions will be on hand to present architectural plans and discuss possible locations within the city available to build this facility. Meeting will be held at the Wasco School Events Center (Old School) on January 16th at 6:00pm in the Meeting Room. (If there is overflow we may change location to the Auditorium).

FROM THE WASCO CITY COMMUNITY LIBRARY

To Our Community and Library Patrons;

This is not a request for a donation although a year-end donation would be appreciated. This is an appeal and an opportunity to have your voice be heard. There have been many changes taking place at the Old School (Wasco School Events Center), some of which are the usual difficult transitions. However, concerning the library, our hours are in question. Since 1997 this library has been an all-volunteer, user friendly library available and accessible to the community. Therefore I need to have your feedback as soon as possible:

(Check one or both)

Would you like to have the library open when the building is open?

And/or

Would you like to have the library accessible during events in the Auditorium?

(Optional)

Name: _____

Phone: _____

Please return this appeal with or without your year-end donation to:

Wasco C.C. Library

PO Box 202

Wasco, OR 97065

* Or return to the library during our current hours: Monday, Friday & Saturday
11:00 to 6:00

* Or return to City Hall with your water/sewer bill

Thank you,
