

WASCO NEWSLETTER

FEBRUARY 1, 2018

THANK YOU: Wasco City Councilors, Mayor and City Staff would like to thank Cassie Strege for all of her years of dedication and hard work. Cassie Strege has been the Wasco City Clerk since 1996; her knowledge, hard work and compassion have not gone unnoticed. Cassie will be retiring January 31st but she will be popping in City Hall to help with the annual budget over the next few months. Over the years she has been a valuable part of many volunteer organizations as well as taking care of all of Wasco's municipal business.

Cassie, you will be missed; we hope you have a happy retirement!

REMINDER: Any State or Federal Election ballots cannot be accepted at City Hall, please do not drop them in the Payment box on the South side of the building. There is a white ballot box located on the Clark Street corner next to City Hall where you drop your ballots. If you have questions about where you can place your ballot, please feel free to ask Ali Roark, the City Clerk, by coming in City Hall or calling (541)442-5515.

REPORTING STREET LIGHTS: Now that the days are getting shorter, the City's street lights are becoming more important. If you have noticed a street light in your neighborhood is out, or is flickering on & off once dusk falls, please fill out the form below and return it with your water/sewer payment - or deliver the completed form to Wasco City Hall.

REPORTING A STREET LIGHT OUTAGE

Pole Number: _____

You will likely find two numbers on the pole but the one that is needed is the 6 digit number.

Street Light Location: _____

Example: Corner of Clark St. and Fulton St, near Wasco City Hall

Problem: _____

Examples: Light is out, light flickers on & off or light is on during the day

Once this information has been received at Wasco City Hall, a repair request will be sent to Pacific Power and a work order number will be generated.
