Location of Wasco Right-of-Way (Name of street or intersection, or vicinity of alley)	

GENERAL PROVISIONS

The approval and issuance of this permit allows the property owner/renter to manage vegetation and to control noxious weeds on the City’s right-of-way. The term of this permit is during the growing/spray season and will need to be re-issued each year.

VEGETATION MAINTENANCE PROVISIONS The property owner/renter shall:

- Cut or mow all grasses and non-woody vegetation beginning at the applicant’s property line up to a distance of 4’ from the edge of the pavement, and continue to maintain the area during the growing season.
- Control all brush, weeds, and grasses beginning at the applicant’s property line and up to the edge of the pavement.
- Ensure that all trees or shrubs are cut back in alleyways to make room for emergency services.
- Ensure that all weeds listed in the Sherman County Weed Department’s Noxious Weeds Listing are removed from the area.

SPECIFIED LOCATIONS

Applicant: Mark on the attached City map the areas you will be maintaining, and “check” below if you wish to have this area designated as a “No Spray Zone” .

<p>_____ NO SPRAY ZONE The City and its contractors will refrain from applying herbicides in the area specified on the attached City map. The permittee shall control all vegetation in the specified location, including noxious weeds, by cutting, mowing or hand pulling in lieu of chemical treatment. <i>If the permittee fails to control vegetation, the City of Wasco or its contractors may remove the vegetation without notice and the removal could include the use of herbicides.</i></p>
